The Wine

This wine is juicy and fresh with loads of dark damson and black cherry fruit with a hint of savoury bitterness and plenty of oomph on the finish. A class act.

Marco Porello

The Family

The Porellos have the combination of tradition and innovation at their cantina just outside Canale. Marco went to enology school in Alba, as have many sons (and a few daughters) in the area. His parents take primary responsibility for tending the vineyards, as they've done since they were a young married couple – the family works well together, and Marco spends plenty of time in the vineyards himself. He's an energetic, articulate guy who has raised the quality and reputation of his family's cantina considerably.
